LEGISLATURE 101: AN INTRODUCTION TO LAWMAKING AND THE CAPITOL

This document is to help you, as a municipal official, better understand the legislative process at the Arizona State Capitol. As always, the League's legislative staff is here to support you. You can contact us anytime at 602-258-5786 or league@azleague.org.

HOW A BILL BECOMES LAW

Each session state legislators introduce over a thousand bills, nearly a quarter of which have some relevance to cities and towns. Bills start in either the House or the Senate, depending upon who sponsors the bill. Senate bills start with "1001," House bills start with "2001" and are then numbered sequentially. Although there are some differences in how each chamber operates, the basic process is the same. There are six sequential steps that take place in each.

1) Bill Assignment - A bill is "first read" on the floor and then assigned to a committee based on subject matter.

2) Committee – Committees are comprised of members from each party, with the majority party having the most seats. This is the only step in the entire legislative process that is truly "open to the public" for comment.

2025 SESSION TIMELINE

Monday 1/13 - Session Begins

Thursday 1/16 - House seven-bill limit begins

Monday 2/3 - Senate Bill Introduction Deadline

Monday 2/10 - House Bill Introduction Deadline

Friday 2/21 - Last day for consideration of bills in chamber or origin

Friday 3/28 - Last day for consideration of bills in opposite chamber

Friday 4/18 - Last day for consideration of bills in conference committee

Tuesday 4/22- 100th day of session

Members of the committee may offer amendments to change the language of a bill. If a bill fails here, it is essentially “dead,” although there are methods available to resurrect it. If a bill passes, it proceeds to the Rules Committee.

3) Rules Committee - Every bill must go through the Rules Committee for legal review, discussing whether the bill is constitutional, germane with existing statute and in the proper format. The committee does not give a bill a pass or fail recommendation. Following the review by the Rules Committee, the bill moves to discussion among the party caucuses.

4) Caucus – The members of each party meet to review bills and the “party position” is vetted. No formal action takes place.

5) Committee of the Whole (COW) - The entire chamber comes together for a floor debate. At this point committee amendments as well as floor amendments are formally offered and adopted. Discussions can be a few minutes or several hours. In COW, a voice vote is used.

6) Third Read – All changes adopted in COW are engrossed into the bill and prepared for a final vote. This vote is electronically tallied. Like the committee process, if a bill fails on third read it is considered “dead” with the possibility of procedural resurrection. If it passes, the bill then goes to the other chamber and the same steps are repeated.

If a bill passes both chambers without any amendments, it goes straight to the governor’s office. If a bill is approved in one chamber, amended in the other chamber, and that amendment is approved by the sponsoring chamber, the

HOW A BILL BECOMES A LAW IN ARIZONA

bill will advance to the governor's office. However, if the sponsoring chamber does not approve of the amendment adopted, it will be assigned to a conference committee.

This committee is made up of members from both chambers designated by the speaker of the House and president of the Senate who will work towards a version of the bill amenable to both chambers. If a chamber rejects the committee's recommendation, the bill is considered "dead." If a bill is amended by a conference committee it is then final read by both chambers. If it passes final read, it is transmitted to the governor's office.

Once a bill is in the governor's office, he or she can sign it into law, veto the bill or allow the legislation to become enacted without his or her signature.

Bill language, hearing schedules, live feeds and status information are available at the Arizona State Legislature's website; www.azleg.gov.

During the session League staff spends countless hours at the legislature tracking bills. We encourage our members to stay abreast of legislative issues impacting cities and towns through our weekly Legislative Bulletin and by contacting the League at 602-258-5786 with any questions you have. Additionally, the League has a legislative bill monitoring page available on our website that provides more detailed information about the bills League staff is actively tracking. You may also sign up to register your opinion on legislation at the legislature's website using the Request to Speak system. Contact the League for assistance in accessing this feature.
